

Byg en svæver

Jeres første svæver

Brug klippearke 1

Jeg tror, vi skal sætte
mindst 4 clips på

Jeg tror, vi skal kigge på,
hvordan naturen laver frø

Jeg tror, den
skal have meget
lange vinger

HVAD
TROR
DU?

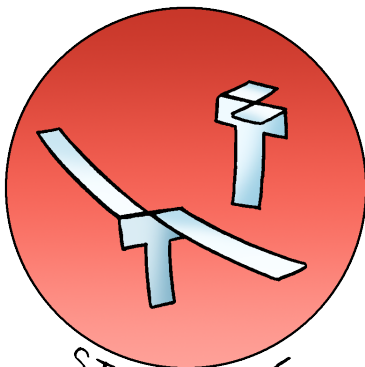

Jeg tror, vi skal
lave den i pap

Jeg tror, at...

pap

Vinger af
karton

Vinger af
køkkenrulle

Vinger af
andet?

Vis og fortæl om jeres bedste svæver

Hvorfor er jeres svæver god?

Hvor mange forskellige svævere har I prøvet?

Hvordan ser en dårlig svæver ud?

Hvordan var jeres samarbejde?
